## Paper Lanterns

### Maisy uses

coloured paper

paints and brushes

scissors

sticky tape

ribbon or string

### How to make them

1. Cut some rectangles of paper and paint patterns on them. Leave to dry.

2. Fold the paper in half, lengthways.

3. Make a row of cuts along the folded edge.

4. Open out the paper. Roll it so the short ends meet. Join with sticky tape.

5. For a handle, cut a strip of paper and stick it on the lantern.

6. Make more lanterns.

7. Thread ribbon or string through the handles and hang them up.
